

DATA SHEET

FINISH WT GLOSS, SATIN, MATT

RECRYTE FINISH WT, two-component water-based aliphatic polyurethane, provides high resistance to abrasion and chemical agents.

Colorless, it does not yellow when exposed to sunlight.

FINISH WT allows a glossy, satin and matt finish of the MIPOX system.

COMPOSITION

Two-component aliphatic polyurethane

FORMAT

Component A: 5L

Component B: 1L

PRODUCT CODE

RECRYTE FINISH WT A + B component GLOSS: RE5002

RECRYTE FINISH WT A + B component SATIN: RE5003

RECRYTE FINISH WT A + B component MATT: RE5004

SPECIFICATIONS

o Application temperature: Between 12 ° and 25 ° C

o Ambient humidity: Less than 80%

PERSOZ HARDNESS (20 ° C)

24H	48H	7 DAYS	30 DAYS	total
95"	132 "	154"	250"	250"

RESISTANCE TO DOMESTIC HYGIENE PRODUCTS

SATIN	WATER	ALCOHOL	AMMONIA 3%	BLEACH 4%	SALFUMAN 24%
1H	Doesn't affect	Doesn't affect	Doesn't affect	Doesn't affect	Doesn't affect
4H	Doesn't affect	Doesn't affect	Doesn't affect	Doesn't affect	Doesn't affect
24H	Doesn't affect	Doesn't affect	Doesn't affect	Doesn't affect	Lightly

INSTRUCTIONS FOR USE RECRYTE FINISH WT

It is applied with a roller

1. Mix and homogenize the product by hand or machine at low speed.
2. The surface must be dry, free of grease and contaminants.
3. On concrete the surface must be completely set (28 days) and free of moisture
4. The number of layers (2-4) will depend on the absorption of the substrate; On very porous surfaces, a greater number of layers is necessary to avoid the differences in gloss due to the different absorption of the binder in the substrate.
5. The substrate temperature must be above 12 ° C and at least 3 ° above the dew point
6. The drying time of the different layers is 4-6 hours depending on the weather conditions.

STORAGE INSTRUCTIONS

RECRYTE FINISH WT must be stored in its original container tightly closed and protected from bad weather. Always store in cool places and do not leave exposed to the sun, at a temperature between 5 and 25 ° C during storage. Usage time is 12 months from the production date, properly stored.

HYGIENE AND SAFETY

Use in well-ventilated areas with personal protective equipment. Keep out of reach of children.

DISPOSAL AND ENVIRONMENT

Do not dispose of waste in sewers or water courses. Empty containers must be disposed of in accordance with local / national legislation in force
